Notes with respect to certain constituencies.

ERNAKULAM DISTRICT

- A.C. No. 72. Kunnathunad.—This constituency should be a general constituency and not one reserved for Scheduled Castes.—At present there are two constituencies in Trichur District reserved for Scheduled Castes. But according to the proposals of the Commission there is only one reserved for S.C.s in that District. At present there is no constituency reserved for S.C.s in Ernakulam District. Scheduled Caste population is much more concentrated in Trichur District than in Ernakulam and the status quo should be maintained by allotting two reserved constituencies for Trichur District. Central Kerala is Trichur, Ernakulam and Kottayam Districts should be taken as one unit or Zone and constituencies reserved for Scheduled Castes fixed on the basis of maximum percentage of their population. It is seen that percentage of Scheduled

Castes is more in Vadakancherry (A.C. 50) Manalur (A.C. 52) and Irinjalakuda (A.C. 55) constituencies in Trichur District. And all these general constituencies while Kunna-thunad which has less concentration of Scheduled Castes is one reserved for them. This is against the principles laid down in the Delimitation Commission Act. So one of the three constituencies must be a reserved one.

ALLEPPEY DISTRICT

A.C. 92. Shertalai.—Delete the whole of Thanneermukkam North village and add 263-Shertalai South panchayat.

A.C. 93. Mararikulam.—Delete 263-Shertalai South panchayat and add the whole of Thanneermukkam North village.

The resulting constituencies are:—

92. Shertalai.—254-Kadakarapally, 257-Pattanakad, 259-Vayalar, 263-Shertalai South and 265-Chenna Pallipuram panchayats; non-municipal portion of Kokothamangalam village and Shertalai town in Shertalai taluk. 125,295—7754.

93. Mararikulam.—260-Kanjikuzhi, 261-Mararikulam, 262-Muhamma panchayats and 264-Thanneermukkam panchayat (excluding non-municipal portion of Kokothamangalam) in Shertalai taluk; and 237-Ariyad, 238-Mannancherry and 239-Mararikulam South panchayats in Ambalapuzha taluk. 126,136—6420.

Shertalai town consists of portions of Vayalar East, Kokothamangalam and Shertalai villages. Portions of these villages which fall outside the Municipal area must form parts of the constituency which includes Shertalai town. Thanneermukkam North village is divided between two panchayats viz. Kanjikuzhi and Thanneermukkam. In the proposal made by the Commission the whole of Thanneermukkam village is included in Shertalai (A.C. 92) Constituency. So it is clear that integrity of all the panchayats is impossible to be maintained. If the whole of Thanneermukkam village is included in Mararikulam constituency breaking up of Kanjikuzhi panchayat can be avoided and integrity of Thanneermukkam village maintained. The result of accepting my proposal is that the non-municipal portion of Kokothamangalam village (forming part of Thanneermukkam panchayat) is included in Shertalai constituency and the remaining portion of the panchayat (portion of Thanneermukkam North village) along with the portion of Thanneermukkam village which is part of Kanjikuzhi panchayat will come into Mararikulam constituency. Thus whole of Kanjikuzhi panchayat will be in one constituency.

Another advantage of accepting my proposal is that the existing Shertalai and Mararikulam constituencies are retained without any change. From the point of compactness and contiguity also this proposal is much better than the proposal of the Commission.

Another defect in the Commission's proposal is the disparity of population in the two constituencies. The population of Mararikulam constituency (A.C. 93) as given in the proposal is wrong. **The actual population of the constituency is 128,509 and not 121,922.** It seems the population of Shertalai North village which is part of Shertalai South panchayat is omitted. If my proposal is accepted the population of the two constituencies are 125,295 and 126,136 respectively.

Mathew Mantyangadan.

II

QUILON AND KARUNAGAPALLY PARLIAMENTARY
CONSTITUENCIES

I am suggesting some slight alterations. They are:—

1. Retain XVII Quilon as a General Seat.
2. XVI Karunagapally may be changed to XVI Kottarakkara.
3. Assembly Constituencies 114-Krishnapuram and 115-Karunagapally may be added on to XVII Quilon Parliamentary seat and in return 109-Punalur, 111-Kottarakkara Assembly constituencies may be added on to the XVI Parliamentary seat to be called Kottarakkara Parliamentary constituency. This will be a schedule caste seat. In its final form my proposals will be read as follows:—
4. The XVI Parliamentary constituency may be designated as Kottarakkara as was in the original proposal instead of designating it as Karunagapally.

Then the Kottarakkara Constituency will be as follows:--

XVI—Kottarakkara (SC)

106	Pathanamthitta	130,605	11,880
107	Konni	136,218	17,061
108	Pathanapuram	122,411	16,984
109	Punalur	125,320	13,515
111	Kottarakkara	122,891	15,891
112	Kunnathur	129,979	21,924
113	Adoor	127,431	19,394
		<hr/> 894,861	<hr/> 116,649

XVI—Kottarakkara will have an overall population of 894,861 and a schedule castes population of 116,649. The population of the schedule castes in this constituency will be over 13%.

XVII—Quilon

110	Chadayamangalam	134,004	17,057
114	Krishnapuram	126,985	12,484
115	Karunagapally	138,202	12,183
116	Quilon	123,046	7,887
117	Kundara	141,219	18,699
118	Thrikkovilvattam	123,650	16,063
119	Eravipuram	137,675	16,547
		<hr/> 924,781	<hr/> 100,920

General 924,781, Schedule Caste 100,920.

The percentage of the schedule castes to the general population would be at 10.9%.

N. Sreekantan Nair.

III

We are of opinion that some modifications are necessary in the proposals of the Delimitation Commission which we give below with reasons thereof:—

TRICHUR DISTRICT

The Assembly constituency 53 Trichur does not take in the place called Ayyanthole where the public offices are now situated. Originally all the public offices were in the Trichur Town but subsequently they were transferred to the neighbouring place Ayyanthole. This is an important place which should form part of Trichur Town and it is likely to be included in this town in the near future. Hence it will only be proper if this place also comes in 53 Trichur. To achieve this 497 Ayyanthole from 52 Manalur may be transferred to 53 Trichur and to make up the deficiency consequent on it in 52 Manalur, 500 Cherpu from 55 Irinjalakuda may be added to 52 Manalur. For 500 Cherpu, 479 Kodakara may be transferred from 56 Kodakara to 55 Irinjalakuda and instead of 479 Kodakara, 502 Ollur which is included now in 53 Trichur may be transferred to 56 Kodakara which can be renamed 56 Ollur. These adjustments will keep all these constituencies within the required number of population without losing the contiguity and other conveniences required.

The population will be as follows :

52 Manalur	1,29,537
53 Trichur	1,21,539
55 Irinjalakuda	1,22,064
56 Kodakara or as now proposed Ollur	1,32,594

522 Kattakambal in 50 Vadakancherry is more easily accessible from Kunnankulam than Vadakancherry. It is better to add it to 51 Kunnankulam and take away 518 Chowannur from Kunnankulam and add that to 50 Vadakancherry.

547 Venkitangu in 60 Nattika constituency is not accessible from that constituency. There are no communication facilities. It is connected by road to 59 Guruvayur. So it may be transferred to Guruvayur and 541 Orumanayur from Guruvayur may be transferred to 60 Nattika.

ALLEPPEY DISTRICT

We do not find any justification for disturbing the existing constituencies of Shertallai and Mararikulam. 263 Shertallai south Panchayat should naturally go with 92 Shertallai constituency. If that is done 264 Thanneermukkam now included in 92 Shertallai can be transferred to 93 Mararikulam.

KOTTAYAM DISTRICT

We feel that the proper place for 305 Kumaranalloor is 84 Kottayam constituency. It is now proposed to be included in 85 Ettumanoor constituency. This Panchayat contains a portion of the Vijayapuram village, the major portion of which is already included in 84 Kottayam. So it may be added to 84 Kottayam and instead 308 Kumarakom from 84 Kottayam may be transferred to 85 Ettumanoor.

K. K. Viswanathan
Parayil Shamsudden

IV

According to the present proposal, there are 13 Assembly Constituencies in the Trichur District. Viewed from the point of view of Geographical contiguity, territorial integrity, communication and transport facilities and viability, the present delimitation of the two constituencies of Trichur and Ollur is defective. The artificial formation of the Ollur constituency in the present proposal may be noted from the fact that the Ollur Panchayath or even village is not included in the proposed Ollur constituency, but is tacked on to Trichur constituency.

So the following suggestions are made for modification:—

53. *Trichur Constituency*

Delete 502-Ollur Panchayath (Ollur and Edakunny villages 240217) and

add 488-Kalazhi Panchayath—13066 and 496-Killanur village of Avanur Panchayath—7884.

54. *Ollur Constituency*

Delete 488-Kolazhi Panchayath and Killanur village of 496-Arannur Panchayath and add Ollur Panchayath (502) as modified.

53. *Trichur Constituency*

Trichur town	73030
Kanimangalam	8908
Kookanchery	5236
Chiyaram	13199
Poonkunnam	17
Peringavu	1590

Kolazhi	
Panchayath	13066
Killanur village	7884

Total	122930
-------	--------

54. *Ollur Constituency*

Nadathara	
Panchayat	15597
Ollookara	20344
Panamcherry	29185
Vilavatham	20020
Puthur	18204

Ollur	24217

We have considered the latest delimitation proposals for Muvattupuzha and Thodupuzha Taluks of Ernakulam District and suggest the following changes.

As has been pointed out during previous discussions, the existing arrangements for Thodupuzha and Muvattupuzha Taluks may continue, except for the return of three Panchayats from Kottayam to Ernakulam District.

Kothamangalam

Ayavana, Pothanicaud, Kavalangad, Keerampara, Kothamangalam, Kottappady, Nellikuzhy, Pindimana, Varapetty, Avoly.

Muvattupuzha

Arakuzha, Marady, Paipra, Valakom, Maneed, Pampakuda, Piravom, Ramangalam, Muvattupuzha Town and Thirumarady.

Thodupuzha

Elanji, Koothattukulam, Palakuzha, Manjalloor, Manakad, Kalloorkad, Karimkunnam, Purapuzha, Thodupuzha, Kumaramangalam.

Karimannoor

Rest of Thodupuzha taluk and Paingattoor panchayat.

According to this, the changes made will involve the minimum change in the existing constituencies.

We have considered the advance copy of the Draft Delimitation proposals sent to us for consideration regarding Kottarakara, Pathanapuram and Kunnathoor Taluks of Quilon District and suggest the following changes:—

No. 111—Kottarakara Constituency

Remove Ezhukone Panchayat from Kottarakara constituency and add on to Kunnathoor constituency (No. 112). Remove Mylom Panchayath from Kunnathoor and add on to Kottarakara (No. 111) Constituency. This adjustment is absolutely necessary because the Ezhukone Panchayat is not contiguous to the other Panchayats of the Kottarakara Constituency, and it is adjacent to other Panchayats of the Kunnathoor Constituency. And Mylom Panchayath lies as an island within the Kottarakara constituency. The population in both these Panchayats are almost identical.

No. 108—Pathanapuram Constituency

Now Pathanapuram No. 108 and Adoor No. 113 are adjacent constituencies to Kunnathur (S.C.) constituency (No. 112). The percentage of Scheduled Caste in No. 113 Adoor constituency is 15.22% and Pathanapuram (No. 108) is 13.87%. Hence Constituency No. 113 i.e. Adoor which is the second constituency with highest percentage of Scheduled Caste population in Quilon District may be declared as Scheduled Caste constituency instead of Pathanapuram now declared as Scheduled Caste constituency.

V

1. The proposed Nemom Constituency—No. 129.

(a) The proposed Nemom constituency may be designated as Vattiyurkavu Constituency, because the proposed Nemom constituency comprises of the Vattiyoorukavu N.E.S. Block which is the most important constituent within this constituency. Hence I am of the view that it will be proper to re-name this as the Vattiyoorukavu Constituency.

(b) The Kolliyoor and the Nemom Panchayats may be taken out of the proposed Nemom constituency; and in its place Thiruvallam and Venganoor may be substituted.

1. *The suggested Vattiyoorkavu Constituency No. 129.*

2. *The proposed kovalam Constituency No. 130.*

Thiruvallam and Venganoor Panchayats which belong to the Trivandrum Taluk are now within the proposed Kovalam Constituency. These two Panchayats may be taken out from the Kovalam constituency and in the place of the said two panchayats Athiyanloor and Thirupuram Panchayats may be added. Athiyanloor is the Block H.Q. of the Panchayat consisting of Kanjiramkulam, Karimkulam, Kottukal, Vizhinjam etc. Athiyanloor village alone has been proposed to be given to the Vilappil constituency. This is very inconvenient to the voters.

3. The proposed Kovalam constituency may be re-named as Kottukal or Athiyanloor constituency.

It may be noted that the proposed Kovalam constituency extends from Thiruvallam to Poovar covering a distance of 13 miles in length. This will cause immense difficulties to the voters. Thirupuram which is on the western side of the Neyyar River and at present included in the proposed Parassala constituency may be left out, and added to the suggested Athiyanloor constituency. Moreover near about Thirupuram there is no bridge across the river and voters will have to take a circuitous route to reach the other side of the river.

4. *The suggested Kottukal or Athiyanloor Constituency No. 130.*

Thirupuram	25975
Karimkulam	17074
Kanjiramkulam	11417
Kottukal	17275
Vizhinjam	23906
Athiyanloor	15983
Balaramapuram	15874
Total	127604

5. *Vilappil Constituency No. 131.*

The following alterations may be made in the proposed Vilappil constituency. In the place of Athiyanloor, Balaramapuram which has been suggested to be taken out of the Vilappil constituency, Kalliyur and Nemom, may be added and Kulathummel may be taken out from the Vilappil constituency. The Vilappil constituency may be re-named as Malayinkeezhu constituency as Malayinkeezh contains an ancient Vishnu temple of all India importance and as Malayinkeezh is the H.Q. of N.E.S. Block which is in the Marukil village.

6. *The suggested Malayinkeezh Constituency, or Vilappil Constituency No. 131.*

Vilappil	25508
Kalliyoor	16024
Nemom	20294
Pallichal	20645
Maranalloor	18900
Marukil	15683
Total	117054

7. *Neyyattinkara Constituency No. 132.*

The following alterations may be made in the proposed Neyyattinkara constituency. I have already suggested the deletion of Kunnathukal from this constituency and Kulathummel may be added.

The suggested Neyyattinkara Constituency No. 132.

Ottasekharamangalam	10022
Kallikad	10723
Perumpazhuthoor	20880
Neyyattinkara Town	20268
Vellarada	26020
Perumkatavila	27067
Kulathummel	19524
Total	134484

8. *Parassala or Kunnathukal Constituency No. 133.*

Thiruppuram which is included in the proposed Parassala constituency may be taken out and Kunnathukal which is now included in the proposed Neyyattinkara constituency may be included in the Parassala constituency. Even before, this constituency was called Kunnathukal constituency.

Kollayil	13257
Kunnathukal	20216
Chenkal	21422
Kulathoor	19553
Karode	16741
Parassala	26024
Total	117213

The above alterations are necessary to provide the maximum convenience to the voters.

Parayil Sammuddin.

VI

I wish to bring to your kind notice my opinion as regards the proposals delimiting the assembly constituencies of Neyyattinkara, Parassala, Kovalam, Vilappil and Aryanad.

I am suggesting the following alternative proposals below with a view to improvement. According to the present proposals, Neyyattinkara constituency has an unwieldy and wide area consisting of the most difficult terrain. The constituency has a top population also. Spread over a wide area so I have suggested that two panchayats at the North-eastern extremity may be shifted to the adjoining constituencies. Accordingly Kallikaud panchayat comprised in Ottassekharamangalam B village may be put in Aryanad constituency. Similarly Ottassekharamangalam panchayat may be put in the adjoining Vilappil constituency. Meanwhile Kollayil panchayat which is rather an enclosure in the Neyyattinkara constituency may be shifted from Parassala to Neyyattinkara. Athiyannur panchayat which is now in Vilappil may also be shifted to Nayyallukara constituency if necessary.

The other changes *viz. that* of Balaramapuram panchayat to Kovalam constituency is consequential and for adjustment.

The redistribution of Kallikaud and Ottassekharamangalam panchayat from Neyyattinkara to the adjoining constituencies and addition of Kollayil panchayat to Neyyattinkara are the most important amendments which I would press, in view of the reality, compactness and convenience of the constituencies.

According to the revised proposals the population figures also are within limits.

Hence I pray that the following amendments may be incorporated.

Trivandrum District

Average population	124,609
110%	137,069
90%	112,149

124. *Aryanad*

- 39. Aryanad Panchayat

2. Parassala panchayat
3. Kulathoor panchayat
4. Karode panchayat
5. Thirupuram panchayat

Total	<u>115,000</u>
-------	----------------

Further I would suggest that the name of constituency No. 17 of Kozhikode district may be changed to Payyoli from the present proposed name Irungal, because Irungal is only the name of a small desam (part of a village). Payyoli is the name of the important central place where courts and offices are situated.

The name of the proposed constituency No. 20 of Kozhikode district is Nanminda. This may be changed to Balussery the existing name which includes Nanminda locality. The more important and distinctive name is Balussery.

So the above changes may also be incorporated.
